

Thank you

A gift of hope has been made in your honor to Family Promise-Salt Lake and the families they serve

By offering shelter and intensive case management, Family Promise is on the frontline by providing long term solutions to this epidemic.

Families make up the fastest growing segment of the homeless population in America. Every year, 600,000 families with 1.5 million children experience homelessness.

Family Promise - Salt Lake is a non-profit, interfaith alliance dedicated to helping homeless families achieve lasting self-sufficiency.
