

*An interfaith alliance helping homeless families achieve lasting self-sufficiency*

## Alternative Giving: A Gift of Hope

**Alternative Giving:** More and more people are choosing to donate to charity instead of purchasing the usual gifts for their friends and family. By giving Family Promise alternative gift cards, you are directly helping to feed and shelter homeless families in our community.

**Family Promise – Salt Lake** is a non-profit, interfaith alliance dedicated to helping homeless families achieve lasting self-sufficiency. Families make up the fastest growing segment of the homeless population in America. Every year, 600,000 families with 1.5 million children experience homelessness. By providing shelter and intensive case management, Family Promise is on the frontline of this epidemic.

**How it works:** Alternative Gift Cards can be printed directly from the website. Payment can either be made through a donation online or you can mail a check to: Family Promise – Salt Lake P.O. Box 996 Salt Lake City, UT 84110.
